Dear Mr. & Mrs. Steward:

RE: Property Gift Receipt

Thank you for your generous gift of the following property:

Approximately 179 acres of real property in Cokesbury County, Missouri, described in a deed recorded at Book 723, Page 2312, with the Cokesbury County Recorder of Deeds.

The Wesley United Methodist Church received your gift on November 5, 2012, for the benefit of the Wesley UMC Endowment Fund. When the property sells, the proceeds will be added to the Endowment Fund. The Endowment Fund provides an ongoing annual income to the Wesley United Methodist Church which is used for building maintenance and capital building projects.

The calculation of your gift value, tax reporting requirements and all other relevant financial matters, should be reviewed and confirmed by your own professional adviser. Gifts of real property require that you get a "qualified appraisal" in order to substantiate any charitable deduction that you wish to claim on your federal tax return. Gifts of property are deductible up to 30% of adjusted gross income in the year of the gift, with an additional five years to carry forward any unused deduction.

This letter is your gift receipt and should be kept with your other important papers. For gifts with a value of \$250 or over, you must have a receipt in hand before you file your tax return. As required by the IRS, we hereby acknowledge that, in return for your gift, you received no goods or services other than "intangible religious benefits."

Again, we thank you for your gift and your commitment to the work of Christ's Kingdom. If you have any questions concerning this transaction, please contact our office.

Sincerely,

Sally Sample
Office Administrator
