

MISSOURI UNITED METHODIST FOUNDATION

2018 Grant Application Instructions

The Missouri United Methodist Foundation is a resource to help strengthen the ministries of the United Methodist Church throughout Missouri. Thanks to the faith-filled generosity of United Methodists across the state, prudent financial management, and God's ever-abundant grace, the Foundation Endowments continue to grow and provide growing support for Missouri's United Methodist churches and related ministries.

Eligibility

Those eligible for ministry grants are Missouri's United Methodist churches and church-related organizations and agencies. Ministry grants are intended to help initiate or enhance programs, projects, or activities that are innovative and effective, and that help build healthier and more vital long-term ministry. Grants are made for one-time funding needs.

How to Apply

- Complete the **Grant Application** form and attach a brief **narrative** statement. **Please DO NOT staple application materials together.**
- A separate application must be completed for **EACH** project. If more than one application is submitted, indicate which project has priority.
- **Original signatures are required. Applications submitted by fax or email will not be considered.**
- **Completed applications MUST be postmarked by the deadline.**

Grants are awarded on a semi-annual basis with deadlines of **April 2, 2018** and **October 1, 2018**.

Mail applications to: Missouri United Methodist Foundation
PO Box 1076
Columbia, MO 65205

- **The Foundation office will acknowledge, in writing, receipt of all completed grant applications.**

How Proposals are Processed and Grants Made

- The Foundation solicits evaluation and commentary regarding each completed application from an appropriate official of the respective district or conference entity that relates to the applicant (e.g. District Superintendent, Board or Council Chair of the Annual Conference, ministry area director). This information becomes part of the application.
- Applications are then evaluated by the Foundation Grant Review Committee. Funding decisions are determined on a case-by-case basis and are dependent on funds available and the merits of each request.
- Priority consideration is given to proposals that demonstrate a strong and meaningful connection to vital and productive ministry and congregational health. This may include ministry outreach, increased volunteer involvement, congregational growth, and advancement of the core mission of the United Methodist Church.
- Proposals seeking funds for capital projects will be considered only after all other grant priorities have been considered and funding allocations determined.
- There are several possible actions that may be taken regarding any application: 1) The request may be approved and either fully or partially funded; 2) The request may be approved for a “challenge” or “matching” grant; 3) Action on the request may be tabled and additional information requested; 4) The grant request may be denied.
- Each applicant will be advised, in writing, of the action taken by the Board.
- If you have questions, please contact the Foundation office at 573-875-4168 or 800-332-8238.

Measuring Results

Approximately one year after the grant funds are disbursed, the applicant will be expected to complete an evaluation of the project. The evaluation form, sent by the Foundation, will ask the applicant to: verify the use of funds, provide a brief progress report, describe how goals and objectives have or have not been met, describe measurable benefits (using a quantifiable factor such as attendance or number of new members, provide average numbers for both before and after implementation) and identify challenges that arose during implementation. **The evaluation MUST be completed and returned in order to maintain eligibility to apply for future grants.**

Grant Proposal Narrative Guidelines

Along with the application form, please submit a brief narrative that addresses the topics described below. Please limit narrative to no more than two single-sided pages. *Please do not staple application materials.*

Project Description

1. Provide a **brief** overview of your church or agency. Include location, description of congregation, and ministries for which the church is known.
2. Describe the issue or problem to be addressed with grant funds. Identify the target population and number of people to be served by the project.
3. Describe the proposed project. Is this a new project or an existing project? If it is an existing project, when did it begin? Explain how this project fits with the long-range plans of your church or agency.
4. Describe how this project will contribute to the health, vitality, and ministry effectiveness of the church or agency.
5. If the project includes the purchase of equipment or software, please describe your plans for installation and security. If the project involves new curriculum or training, describe how others will be trained in the future. Identify staff and church members when appropriate.
6. List the main goals of the project and your plan to document progress and measure results. Please use quantitative measures when possible.
7. Provide a **timeline for implementation**.
