

THE ZION UMC SCHOLARSHIP FUND

Proud Heritage. Gift to the Future.

The Zion United Methodist Church in Truxton, Missouri, originated in the 1800's as a German Methodist Church, serving the German – speaking immigrants who came to the area to farm.

"...[Truxton] had two churches, Methodist Episcopal and Lutheran, a high school, steam saw-mill and grist mill, a newspaper, the "Republican", a hotel, and about fifteen stores, shops, etc. Population, 1899 (estimated) 250."

~ Encyclopedia of Missouri, 1901, Conard, Vol. VI, 224.

Although the Church closed its doors officially in 2016, its members chose to memorialize the spirit of generations of congregants (more than a few of whom became Methodist ministers) through this fund.

This scholarship benefits eligible Missouri students with a preference for those who are residents of the Truxton, Missouri area.

A single award of \$500 is available in 2022.
