

## Ron & Linda Watts Ministry Scholarship

In recognition of and gratitude for 30 plus years of service to God and La Croix United Methodist Church in Cape Girardeau, MO, members and friends of La Croix Church established the Ron and Linda Watts Ministry Scholarship Fund.

Ron and Linda Watts moved to Cape Girardeau in 1988 to plant a new church. Today, La Croix Church is a thriving

congregation averaging over two thousand in attendance each weekend. It seeks to reach the unchurched and lead its members to “wholeheartedly follow Jesus Christ.” It reaches across the United States and the world in Mozambique, Guatemala, and elsewhere. Ron and Linda have a passion for Christ and His church and a desire to see well-trained pastors rise up to help build vibrant, prevailing churches — churches that will bring hope and life around the world. This scholarship fund honors them by facilitating the development and education of future Christian leaders.
